

SETTING GOALS

S.M.A.R.T.

Specific	Goals must address specific task or set of tasks and/or functions
Measurable	We must be able to measure the outcomes to determine if the goal has been achieved
Attainable	Goals must not be impossible to achieve. They require committed people, adequate resources, and sufficient time.
Related to effective function	Goals must be focused on achieving effective church functions and raising the quality (health) of the church
Timeframe	Goals must have a specific timeframe for completion (set a date)

Accountability	All tasks set to achieve must have someone accountable for achieving those tasks
Leadership commitment	Members of the implementation and pastoral teams must be united in our commitment to see the goals achieved.
