

Vision

Our deepest expression of what we want. It is the preferred future, a desirable state, an ideal state, an expression of optimism. It expresses the spiritual and idealistic side of human nature. It is a dream created in our waking hours of how we would like our lives to be. —Peter Block

Your vision will become clear only when you can look into your own heart.... Who looks outside, dreams; who looks inside, awakes.—Carl Jung

“Vision is what you will choose to be based on who you have been and what you are called to be.”—IG
